My dear Mrs. West:

Wouldn't Mr. West have been delighted at the recognition of Panama City's strategic importance as evidenced in the reported decision of the Maritime Commission to establish a 6-way shipyard there for the construction of 33 of the Liberty cargo vessels! I extend congratulations.

I see Mr. Carlisle at intervals and am glad to be able to report that he looks and seems well.

Very respectfully yours,

E.H. De Groot Jr.
